| | First 50 people to sign up (including goalies) |

Katy's Courage is a not-for-profit organization honoring Katy Stewart, a precious little girl who inspired all who knew her throughout her lifetime. She died of a rare pediatric cancer at 12 years young. Her smile and kindness shine on in the memories of those who loved her, and her courage motivated the creation of this organization. The focus of Katy's Courage is to celebrate Katy's memory.
