# Thank you to all

for making the Eighth Annual Katy's Courage 5K such a wonderful success!

## To Our East End Friends,

The greatness of a community is most accurately measured by the compassionate actions of its members. Coretta Scott King said this, and it is a quote perfectly mirrored in the kindness and compassion displayed by all those who came out in support of the annual Katy's Courage 5k. It's also the thing that makes our community great.

This year marks our eighth year holding the race, and the feeling of community present is so strong and radiates the kindness of so many—volunteers, support from local businesses, and donations— all things through which good is created. We have adopted the saying that "Courage is what we give to each other." The idea of sharing strength where it is needed is where our community's heart is, and it is what embodies the East End, making it such a truly livable and special place to reside.

It is not possible for us to name all the folks who so tirelessly and generously help us each year, but we would like to mention a few: Mayor Schroeder, Dee Yardley, Chief McGuire and the Sag Harbor Police, the Sag Harbor Fire Department, our Race Director Nina Landi, Jon Barton, Matt Malone, Boy Scouts Troop 455, Patrick Witty, Valerie Remkus, Ross Berti, Sandy Jungck, Kelly and Bruce McMahon and their son Everett, Rob Strauss, Josh Brussell, Sue Denis, Pierson student volunteers as well as the many volunteers and local sponsors who make the race possible. We have so many people who help us, and as a result, we are able to do much good for East End families and children. Thank you to all the runners and walkers who come out each year! The generosity of our community warms our hearts and keeps us focused on upholding our mission to "pass it on."

Our very warmest wishes to all,  
Jim, Brigid, Robert and Christopher Stewart
